

Documents

Photos and files stay on the nudge they belong to.

Nudge me Ready v3 · 0.3.1 · Menu → Documents, or Important documents on an item.

Documents

i

Nothing attached yet

Add a photo or file on any nudge when it helps. They stay with that item.

Add a nudge

Documents

Workflow

- 1 Open any nudge.
- 2 Attach a photo or file if it helps (tickets, letters, ID copies).
- 3 Find them again from Documents.

Good to know

- Keep device passcode and app lock on for sensitive files.
