

Focus

One thing, for a short while. Breaks are part of the plan.

Nudge me Ready v3 · 0.3.1 · Bottom tab: Focus.

Focus

Workflow

- 1 Open Focus.
- 2 If it feels heavy, use Why is this hard today? or take the smaller step offered.
- 3 Start the timer.

4

Pause, skip or stop whenever you need — there is no failed streak.
