

Ask for help

Opens a message on this phone. It does not share your list live.

Nudge me Ready v3 · 0.3.1 · A Nudges row → Ask, or Help routes in the app.

Ask for help

i

Choose the kind of support that would feel useful right now.

What would help?

Encourage me

Remind me

Stay with me

Help break it down

Send to

Your Crew is empty. Invite someone when you are ready. Asking for help sends a message from this phone — it does not share your list live.

Open Crew

Ask for help

Workflow

- 1 Choose Encourage me, Remind me, Stay with me, or Help break it down.
- 2 Send via Messages, email or Share.
- 3 If Crew is empty, invite someone first.
