

Nudges

Your working list. Later, Sorted, Smaller and Ask live on the row — no form, no guilt.

Nudges

Workflow

- 1 Open Nudges to see open items.
- 2 Tap Later to move something to tomorrow.

- 3 Tap Sorted when it is done — a small Reward Bank point may be added.
- 4 Tap Smaller if it feels like too much.
- 5 Tap Ask to send a message about that item from this phone.
- 6 Filter with Open / All / Done, or Dates / To-dos / Lists. Search if the list is long.

Good to know

- Skip, snooze and hard days never cost you anything in the app.
