

Reward Bank

One bank for the whole app. Small points. A quiet treat, not a score you can fail.

Nudge me Ready v3 · 0.3.1 · Menu → Reward Bank. A glance also sits on Home.

Reward Bank

Workflow

- 1 Sorted and I did something can add points.
- 2 Keep saving toward Favourite coffee, a £10 treat, or a treat you rename.

3

Claim when it feels kind.

Good to know

- There is only one Reward Bank. Packs do not create a second points system.
